Anesthesia: Carbocaine in pudendal nerve blocks 219
Auto-immunity and myasthenia gravis (thesis) 221
Blood:
  fecal loss: detection by Rachromate method 483
  serum proteins: changing concepts of electrophoresis 470
Bones and joints:
  fractures: hip prostheses 252
  jaw, tumors of (tumor conference) 361
Brain:
  Pick's disease 400
  radiation: a supplement to surgery in treatment of tumors 143
Carcinoma (*see* Tumors)
Cardiovascular system:
  heart:
    implantable pacemakers: management of complete heart block 110
    mitral stenosis: radiological findings in 533
    myocardial infarction: vectorcardiogram as aid to diagnosis 491
  peripheral arteries:
    aneurysms, peripheral 152
    everyday problems in vascular surgery 209
Children: the devil's battered 385
Clinical pathological conferences:
  anemia, sickle cell 315
  colitis, pseudomembranous 509
  lung, carcinoma of the 23
  meningitis, tuberculous 227
  Pick's disease 400
Computer, the: an obstetrical data retrieval device 542
Confidentiality law 455
Dentistry: its part in the total care of the aged 54
Drugs:
  Benzathine penicillin G: purification in reducing pain of injection 114
  Carbocaine in pudendal nerve blocks 219
  enterocolitis, staphylococcal 254
  Metronidazole in treatment of trichomonal vaginitis 358
Ear:
  hearing loss due to otosclerosis 438
  middle ear effusion 107
Endocrine glands:
  adrenogenital syndrome: survey of (thesis) 552
  aldosterone secretion: control and effect of (thesis) 310
  goiters, familial 429
  parathyroids: primary hyperparathyroidism (thesis) 366
  thyroid: evaluation of six hour I^{131} uptake test 434
Enterocolitis, staphylococcal: a critical look at 254
Enzymes, serum: changes following bile and pancreatic duct obstruction 116
Esophagus: Schatzki's ring, in lower 307
Eye: traumatic diseases of 395
Fractures (*see* Bones and Joints)
Gastrointestinal system:
  colon: pseudomembranous colitis (cpc) 509
  digestive disturbances in pregnancy 213
  enterocolitis, staphylococcal: a critical look at 254
  esophagus: ring formation in lower 307
  fecal blood loss: detection by Rachromate method 483
  gastroenteritis: *Salmonella typhimurium*, public health implications 293

hemorrhage from upper: management of 149
rectum: villous adenoma with potassium loss (tumor conference) 448
stomach: acid of gastric juice in pulmonary emphysema .. 500
tongue: tumor of (tumor conference) 154
Genito-urinary system:
incontinence in geriatric patients 50
medullary sponge kidney 303
Gerontology issue:
adult care home program in Kansas 46
daily living, activities of 58
dentistry: responsibility to total health care of aged 54
incontinence: management in the geriatric patient 50
Kerr-Mills law for Kansas 63
nursing and adult care homes: physicians responsibility to .. 44
rehabilitation, philosophy of 56
Goiters, familial 429
Hearing loss due to otosclerosis 438
Hemorrhage: upper gastrointestinal, management of 149
History of medicine:
Dr. Camman and the binaural stethoscope 121
Herrick-Meyer scientific papers: a more rational approach to neurology and psychobiology 124
Prairie doctor, the: Joseph H. Middlekauf 343
Hyperparathyroidism, primary (thesis) 366
Indigent care: Kerr-Mills law for Kansas 63
Infections:
Salmonella typhimurium gastroenteritis: public health implications 293
trichomonal vaginitis: treatment by Metronidazole 358
wound: relationship to non-infected wound complications . 249
